

# Newsroom Archives 2008 and earlier

Page:October 11, 2004 - TERC's Investigations Curriculum Has New Online Home

Page:April 4, 2008 - TERC Presents: NCSM 2008

Page:April 4, 2008 - TERC Presents: NCTM 2008

Page:March 17, 2008 - TERC Presents: AERA 2008

Page:February 13, 2008 - TERC Presents: AAAS 2008

Page:April 11, 2008 - InspireData Earns CODiE Awards Finalist Honors

Page:September 6, 2007 - Learning Science Online Reports on Teacher Professional Development

Page:August 22, 2007 - Signing Science Dictionary Featured in CITED Resources for Deaf Students

Page:July 30, 2007 - The Cheche Konnen Center at TERC Receives Ford Foundation Grant for ArtScience

Page:June 28, 2007 - NOAA Releases Nation-Wide Study of Earth Science Standards

Page:June 8, 2007 - TERC Receives NSF Grant for Engaging Blind Students in Geosciences

Page:April 23, 2007 - TERC Part of Inaugural Cambridge Science Festival

Page:March 8, 2007 - TERC Presents: 2007 Conferences

Page:February 14, 2007 - TERC Receives \$1.3M for Biocomplexity Curriculum

Page:February 15, 2007 - TERC Board Names Frank Davis President

Page:March 15, 2006 - DataTools Launches Teacher Professional Development

Page:March 8, 2006 - TERC Presents: Upcoming Conferences

Page:February 5, 2007 - NSF Awards TERC \$2.68M for Online Learning Network, MSPnet

Page:February 7, 2005 - Field Test Teachers Needed for Data Analysis Software & Curriculum

Page:May 11, 2004 - Commission on Adult Basic Education Honors TERC Researcher Mary Jane Schmitt

Page:February 28, 2006 - Board Names Hein as Interim President

Page:January 24, 2007 - TERC Reseacher's Study Presented to Senate

Page:January 22, 2007 - Earth and Space Science Promoted in California

Page:January 25, 2005 - ISS EarthKAM Program Joins Forces with JASON Expedition to Study Disappearing Wetlands

Page:February 1, 2006 - New Way to Teach Math Adopted

Page:January 13, 2005 - New Curriculum for Adult Math Education: EMPOWER

Page:December 15, 2004 - Susan Jo Russell (TERC) coauthors Boston Globe Op Ed on Math Education

Page:April 28, 2004 - eClassroom(SM) and TERC Partner to Advance Research Efforts in K-12 Online Education

Page:October 19, 2006 - TERC Researcher to Speak at Race Relations Conference

Page:February 24, 2004 - MarsQuest Online - Innovative Web Site Brings Mars Exploration to Desktops

Page:September 28, 2006 - Fuzzy Reasoning

Page:July 24, 2003 - MarsQuest Online Wins Griffith Observatory Star Award

Page:May 21, 2003 - Summer Workshop for MA Earth Science Teachers

Page:September 21, 2006 - NCTM Releases Curriculum Focal Points

Page:January 10, 2006 - TERC Museum-Based Math Projects Featured in ASTC Magazine

Page:December 14, 2004 - Students Find Beach Fun in Winter

Page:February 3, 2004 - Article Describes Ways to Bring Math to Afterschool

Page:November 5, 2003 - TERC Receives \$5.18m in Funding for School Reform

Page:January 16, 2003 - ENC Focus Explores Data-Driven Decision Making

Page:January 14, 2003 - Zoombinis Island Odyssey a Finalist for 2003 Codie Award

Page:November 22, 2002 - Zoombinis Island Odyssey Rated 9.4 by GameZone.com

Page:May 16, 2002 - Leading Educators and Scientists Call for Revolution in Earth and Space Science Education

Page:August 4, 2006 - TERC Partners in Boston Math and Science Advancement Initiative

Page:October 4, 2004 - ISS EarthKAM Begins Another Year of Inspiring Students

Page:July 9, 2003 - Crossplatform Multimedia Creation Tool Now Available for Download

Page:April 9, 2003 - Participate in Online Science Challenges for Grades 3-8

Page:July 3, 2006 - TERC Staff Published in NCTM Yearbook

Page:January 11, 2006 - Big Cities Credit Conceptual Math for Higher Scores

Page:January 28, 2004 - ENC Cites Study of Place as Exemplary Site

Page:November 8, 2003 - New At-Home Math Resource for Parents

Page:February 3, 2004 - Professional Development Opportunity for Science & Technology Teachers: New EET Seminars

Page:October 23, 2003 - Recruiting Science and Technology Teachers (Grades 6-12) for Field Test

Page:July 5, 2006 - InspireData, Visual Learning Software Developed by TERC Debuts at NECC

Page:July 15, 2004 - TERC Welcomes Senior Researcher Bruce Jackson

Page:December 3, 2003 - Elaine Laughlin New Director of Development at TERC

Page:August 21, 2002 - Girls Encouraged to Celebrate Science at Boston Science Festival, September 22

Page:June 7, 2005 - Articles Focus on TERC Work with Deaf Students, Families

Page:May 20, 2004 - Winners of Annual NASA Student Involvement Program Competitions Announced

Page:December 1, 2003 - Organizations Needed to Field Test Science PD Program

Page:April 18, 2003 - New Report Examines Online, On Campus Learning Processes

Page:March 18, 2003 - Zoombinis Island Odyssey Wins 2003 Bologna New Media Prize

Page:February 3, 2003 - New Publication: Facilitating Online Learning

Page:March 23, 2006 - Using Data Course Now Online

Page:February 14, 2005 - Center for Special Education's Saturday Workshop Series: Science Inquiry

Page:August 21, 2003 - Web Site a Resource for Information about Algebra for Young Students

Page:December 4, 2002 - Hewlett Foundation Awards TERC Grant for Online Learning Center

Page:December 2, 2005 - Boston Schools Get an 'A' for Improvement in Math

Page:March 7, 2002 - Investigations Staff Publishes Book on Parent Math Involvement

Page:June 21, 2007 - Investigations Workshops Leader Named Massachusetts Teacher of the Year

Page:April 9, 2004 - NPR Story Examines Use of TERC's Investigations Curriculum in Boston

Page:February 13, 2008 - TERC Hosts Indigenous Education Conference

Page:May 13, 2002 - NASA Student Involvement Program Winners Honored

Page:October 8, 2002 - Global Lab Curriculum Featured in WestEd Publication

Page:March 11, 2003 - New Publication: Involving Students in Student-Teacher-Scientist Partnerships

Page:May 6, 2003 - Recruiting Teachers for Data Analysis, Statistics Seminar

Page:February 14, 2005 - New Article on Mathematics Education for Students with Disabilities

Page:September 23, 2008 - Students and Astronauts Use Powerful New Tool to Explore Earth From Space

Page:March 4, 2008 - TERC Presents: NSTA Conference
