Story Time for Babies & Toddlers / Cuentacuentos bilingüe para bebés y niños pequeños

April 17 @ 10:00 am - 11:00 am

Free

Ages 0-3 with caregiver

[Registration required](#)

Come for an English/Spanish story time and get a free math storybook for babies. We'll read picture books that include the math we do when we're playing and having fun! Then, we'll explore math as we play.

Vengan a disfrutar de un cuentacuentos en inglés y en español y consigan un libro de cuentos de matemáticas para bebés. Vamos a leer cuentos que incluyen las matemáticas que hacemos cuando jugamos y nos divertimos. Después exploraremos ideas matemáticas a través del juego.

Edades: de 0 a 3 años acompañados de un adulto.

Zoombinis: A Game of Computational Thinking

April 17 @ 1:00 pm - 2:00 pm

Free

For kids in grades 4-7 with caregiver.

[Registration required.](#)

Come play TERC's award-winning, puzzle game Zoombinis, and experience how it engages players using computational thinking skills.

Players learn to be systematic, breaking down problems into more manageable pieces, moving from trial and error to testing ideas and ultimately implementing solutions — all this in a fun and zany game!
