Zoombinis Island Odyssey Rated 9.4 by GameZone.com

November 22, 2002

Positive reviews from electronic and print media have followed the release of the newest Zoombinis game, Zoombinis Island Odyssey. Earlier reviews called the first Zoombinis game, Zoombinis Logical Journey, "the best math game ever." Island Odyssey expands on the Zoombinis legend by integrating science puzzles.

The web site GameZone.com features a lengthier [review of Island Odyssey](#) in which they describe Island Odyssey as "nearly perfect." GameZone also dubbed Island Odyssey an Editor's Choice.
