Nira Voss serves as TERC's Chief Financial Officer (CFO) and is responsible for overseeing the organization's financial health and compliance in the areas of accounting, finance, and human resources. She joined TERC in 2000 as Controller, building on her rich career in the not-for-profit sector as well as working as a CPA in Israel before coming to the USA. Nira is adept at financial planning, analysis, and problem-solving. She has built robust and well-documented systems and a cohesive team of talented professionals resulting in an efficient and effective support structure for TERC and its many project teams.
