

# Todos somos ingenieros

¿Cómo utilizas la ingeniería en tu vida diaria?

## We are all engineers

How do you use engineering in your daily life?

**La ingeniería es un proceso** que utilizamos todos los días para ayudarnos a resolver problemas y desarrollar soluciones en nuestra vida diaria—como reparar muebles en casa, probar una receta nueva en la cocina, o practicar la paciencia y la flexibilidad cuando nos frustramos.

**Engineering is a process** that all of us use to solve problems and create solutions in our daily lives—like repairing furniture around the house, trying a new recipe in the kitchen, or practicing being patient and flexible when we're frustrated.
